

Tools Catalog

Professional tools catalog

To help you showcase your creations, we have developed a range of tools specially adapted to your needs and the latest pastry trends. From packaging to molds and in-store accessories, a real panoply of resources is available to assist you as you make your products and display them at their best in your store.

The pastry chefs at L'École Valrhona have meticulously selected items which, we hope, will be just right for your day-to-day requirements.

This catalog also introduces you to a selection of molds designed by our designers. Each item in this collection is more originally shaped than the next, and all of them will add real pizzazz to your store. From bars to cocoa pods and lollipops, there is always something to liven up your ranges all year long.
