Novità Gelateria

Novità DUE

CINNAMON ROLL DUE

The opening of new markets has inspired a two-component product — paste and ripple — that faithfully recreates the blend of flavors and aromas of the Cinnamon Roll. It is no longer a niche product; it is increasingly becoming accessible to everyone, ideal at any time of day and perfect for multiple interpretations.

Discover the notes of cinnamon, butter, and sugar in a soft and creamy gelato, both enveloping and well-balanced.

APPLE PIE DUE

Even the traditional Apple Pie, or Torta di Mele, becomes a gelato with a comforting aroma that brings to mind homemade afternoon snacks. With the perfect balance of sweetness and natural acidity, and pieces of caramelized apple, it will be a warm and delightful novelty this season.

Served together with classic pantry cakes, it will be simply irresistible!

 **Bucket 3 kg (2 x box)**

Dosage 100-150 gr mix as a Paste

Novità DUE

MOJITO DUE

And why not bring a bit of movida into this family with the recreation of one of the most beloved cocktails: the liveliness of lime combined with a hint of rum that enhances and amplifies the sweetness of cane sugar and the freshness of yerba buena. A vibrant color, especially as a ripple, that will give your gelato a real twist for the summer! With yerba buena leaves and lime juice.

Bucket 3 kg (2 x box)

Dosage 100-150 gr mix as a Paste

Today Recipe:
